

## **Pre-Health and Health-Related Activities 2009-2010**

There are many ways on campus to get involved, and a fair number of them are health-related. An important part of your preparation for a health profession is exploring the field and gaining exposure to our health care delivery system. Do something outside the classroom that will be enjoyable to you and help you learn more about yourself and your career goal. Here are some possibilities to consider:
