## PROGRESS REPORT FOR STUDENTS IN LIBERAL ARTS

last updated 9-18-2009

**This checklist is for your convenience only; it is not your official degree sheet.**

Courses taken to fulfill requirements (foundation, distribution, concentration, minor) may NOT be taken pass/fail. In addition to the requirements, you need 34 credits and eight semesters of full-time study. See the *Bulletin* for details on requirements for your major (concentration) and further graduation requirements. See on-line lists of all courses approved for these requirements.

### FOUNDATION

**1. Writing** 1) \_\_\_\_\_ 2) \_\_\_\_\_

### 2. Foreign Language/Culture Option

See the *Bulletin* for more specific information regarding this requirement.

PART I: Competence equivalent to three semesters of college language courses

1) \_\_\_\_\_ 2) \_\_\_\_\_ 3) \_\_\_\_\_

PART II: Fulfill 1, 2, or 3 below

4) \_\_\_\_\_ 5) \_\_\_\_\_ 6) \_\_\_\_\_

1. Continue in the first language for three more semesters.
2. Take three semesters of a second language (including American Sign Language).
3. Culture option: There are two ways to fulfill the culture option.
  - a. Continue through the fourth or fifth semester of the language used to fulfill Part I, and take one or two credits in the same culture area as that language.
  - b. Take three credits related to a single culture, either the same as or different from the language used to fulfill Part I. One course credit must focus on the region of origin. See the on-line list of all approved culture courses.

**3. World Civilizations** 1) \_\_\_\_\_

This course may also be used toward a culture OR a distribution, but not both.

**4. Quantitative Reasoning** 1) \_\_\_\_\_

Students with math SAT scores below 560 (or ACT below 23) must take Math 4.

Only for these students will Math 4 fulfill half of the Math distribution requirement.

### DISTRIBUTION

Two course credits in each area. No more than two of the ten credits may be from the same department or program. Students who matriculated in fall 2009 or later may use only one AP credit toward each of the five two-credit distribution areas.

**1. Humanities** 1) \_\_\_\_\_ 2) \_\_\_\_\_

**2. Arts** 1) \_\_\_\_\_ 2) \_\_\_\_\_

**3. Social Sciences** 1) \_\_\_\_\_ 2) \_\_\_\_\_

**4. Natural Sciences** 1) \_\_\_\_\_ 2) \_\_\_\_\_

**5. Mathematical Sciences** 1) \_\_\_\_\_ 2) \_\_\_\_\_
